Happy New Year!

Nuevo Amanecer Latino Children's Services is extremely proud to be marking our 25th anniversary a significant milestone. It is particularly gratifying to be celebrating this anniversary as our future continue to look

bright with our expansion of services including mental health services and support.

Reflecting on the long history of Nuevo Amanecer Latino, what once started as traditional foster care services has evolved into services for non minor dependents, adoption, services to unaccompanied children services under the partnership with office of refugee and resettlement, mental health services, and intensive foster care services for children with serious emotional needs and special health care needs. To all our employees, resource parents, stakeholders and friends - I thank you for your continued commitment to Nuevo Amanecer Latino. Here's to another 25 fantastic years.
